GENERAL PUMP WELCOMES NICK VIESTENZ TO SALES

(Mendota Heights, MN)-- General Pump is pleased to announce that Nick Viestenz officially joined their outside sales staff in January 2015. Certainly a familiar face in the industry, Nick has been with General Pump for 12 years in a variety of capacities. Having spent 2 years in GP's Service Department, 3 years in Research and Development and the past 6 years in Customer Service/Inside Sales, Nick brings extensive knowledge of pumps and their use in Pressure Wash, Vehicle Cleaning and Industrial applications to General Pump's Sales force. Nick lives in Eagan, Minnesota with his wife, Whitney, and daughter Khloe.

General Pump is a member of the Interpump Group, the world leaders in plunger pumps.
